

I am a highly-dedicated professional in the field of economics and finance with a keen focus on leveraging on my skills to provide sustainable business solutions. I have a bachelor's degree in Economics and Finance from Kenyatta University. I have also completed a certificate in data analysis (SPSS). My ambition is to work in a highly competitive, fast paced and dynamic organization specializing in providing quality standards or products so that I can gain more exposure in meeting the challenges facing our economy.

## Kenya National Bureau of Statistics (KNBS)

August, 2019 - August, 2019

## Work Experience

### Content Enumerator

- Ensuring that all the necessary equipment/materials to be used for enumeration are available before the exercise commences.
- Identifying boundaries for the Enumeration Areas (EAs), locating all structures and visiting the population to list all the usual members in the EA assigned before the enumeration exercise.
- Administering all questions and recording responses on the population in the assigned Enumeration Area.
- Obtaining complete and accurate answers and capturing them correctly during the enumeration exercise.

## Kenyatta University

2016 - 2021

## KASNEB

2020 - Current

## Lenana School

2012 - 2015
